From the user account you can view and edit your subscription details: invoices, address, payment method, user management and addition, subscription cancellation, and more

20

2. Enter your email

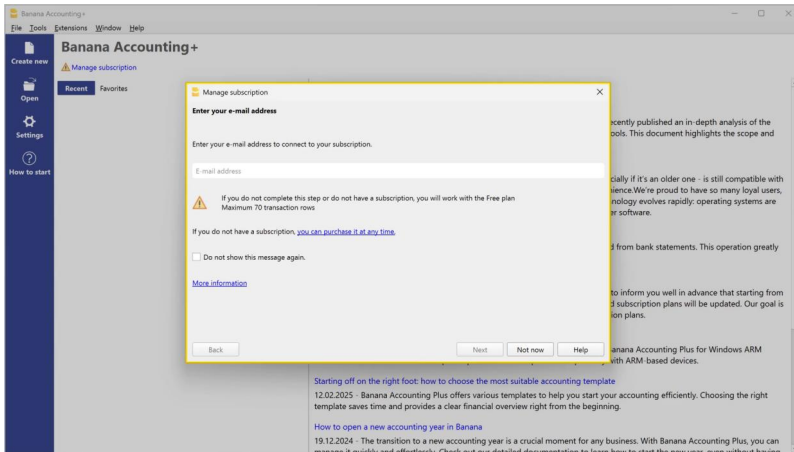

2. Enter your email

21

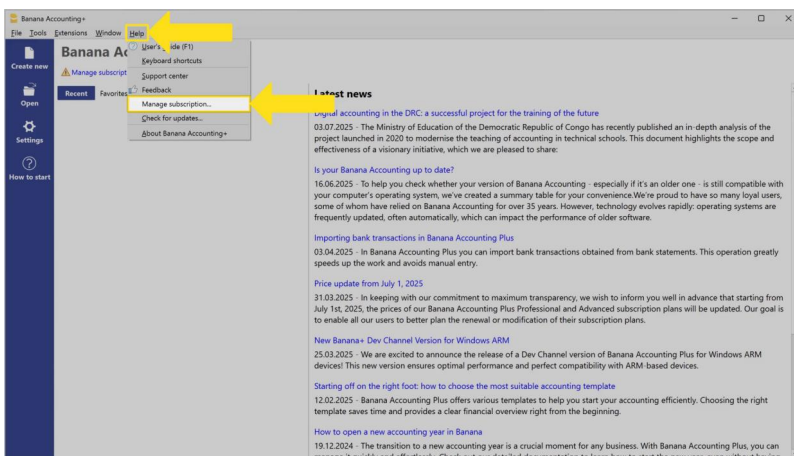

Download and install Banana Accounting Plus. When the program starts, the Manage Subscription window is displayed

22

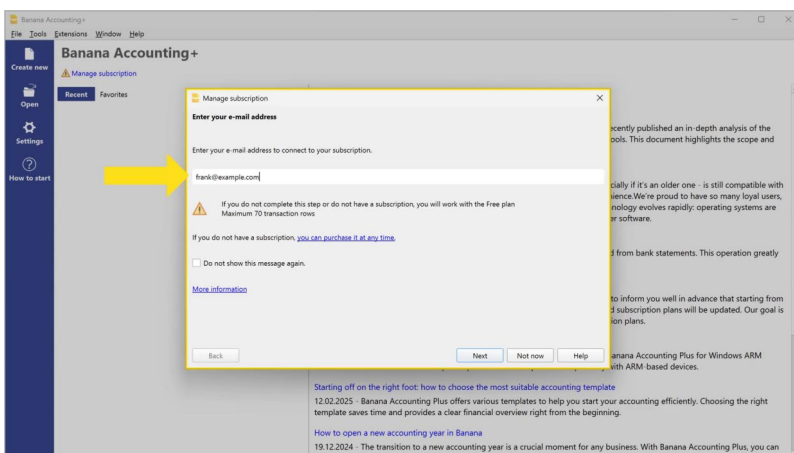

In this window you will be asked to enter your email address, so that the program can view your subscription

23

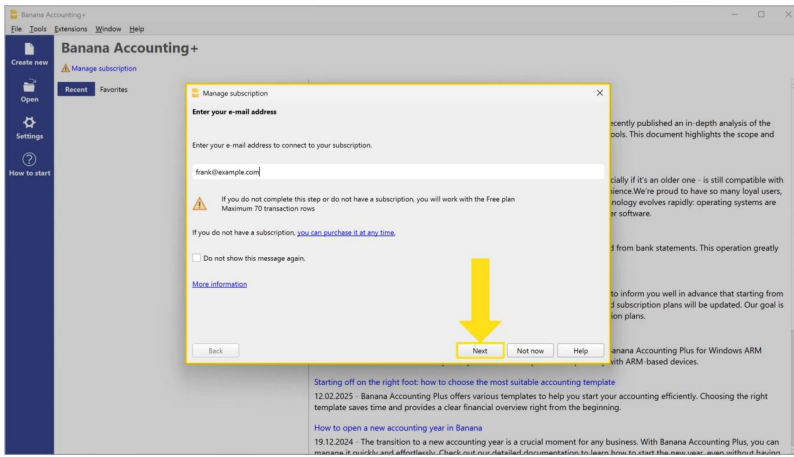

You can access the same window at any time from the Help menu, Manage Subscription

24

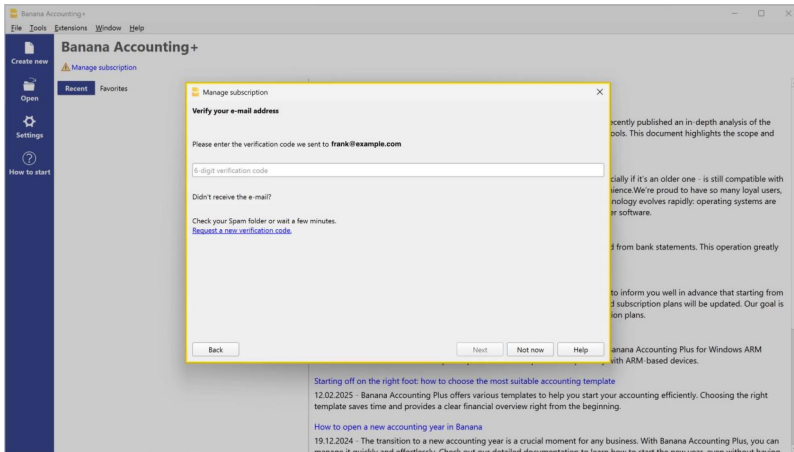

Enter your email address, the one you used to purchase the subscription

25

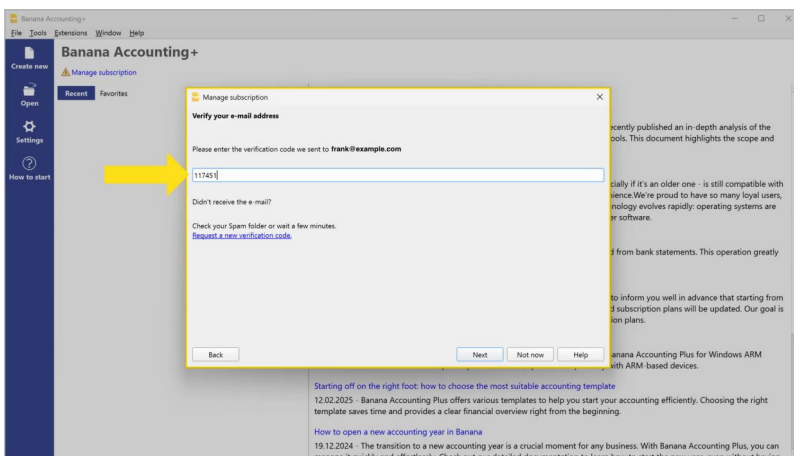

then click Next

26

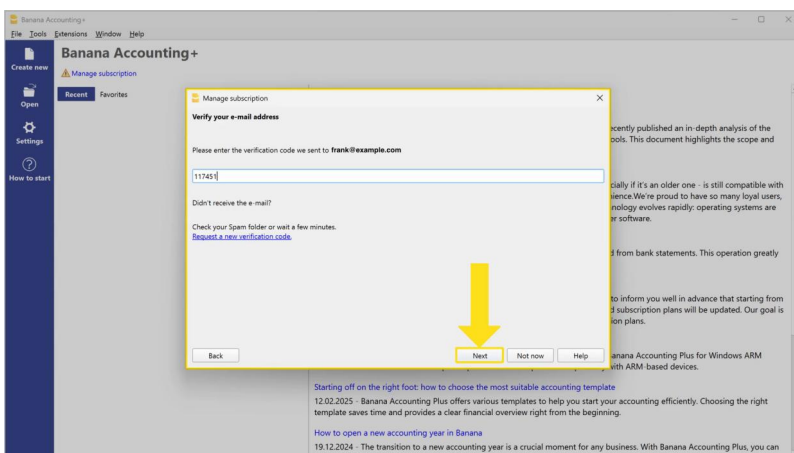

You will receive an email with a 6-digit verification code

27

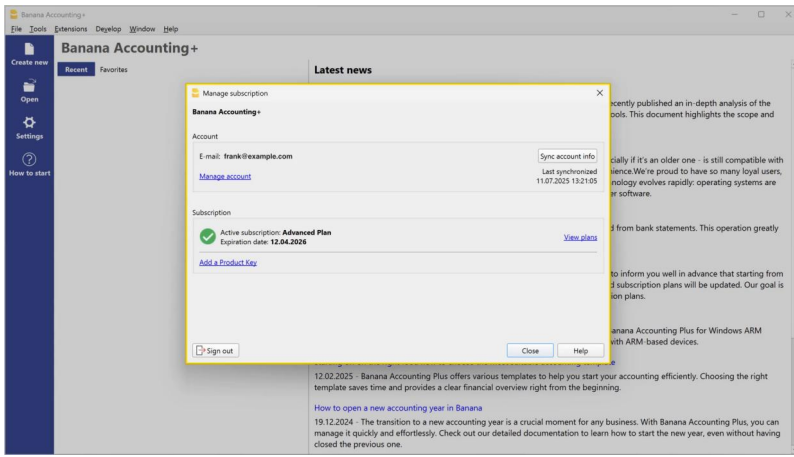

Then enter the verification code

28

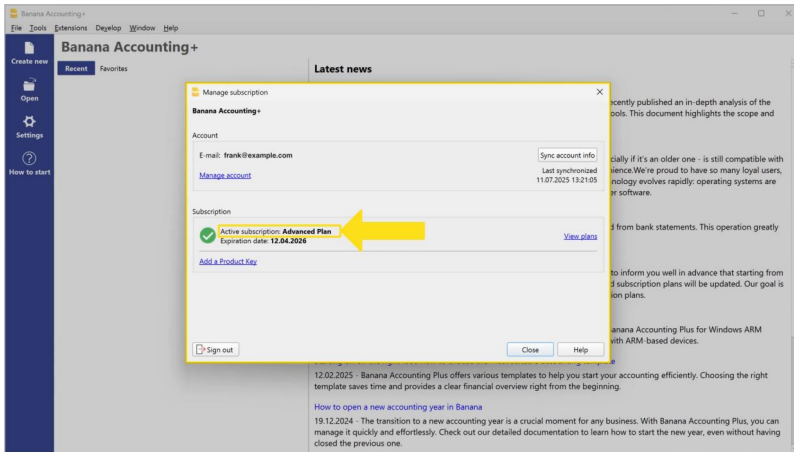

and click Next

29

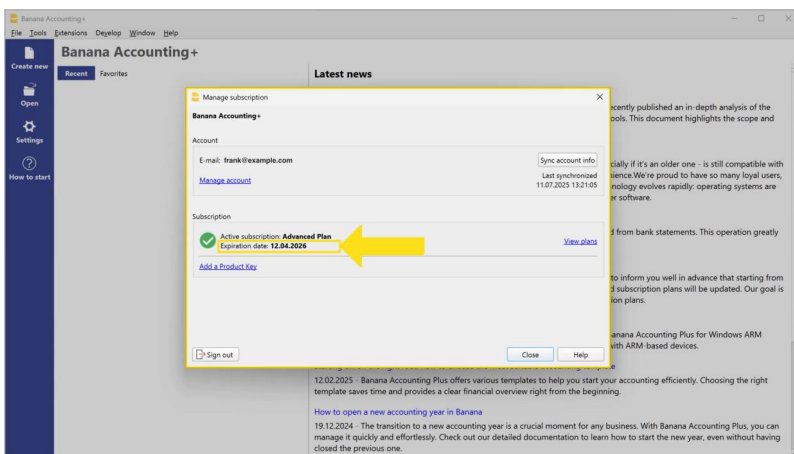

The program shows you all the information about your subscription

30

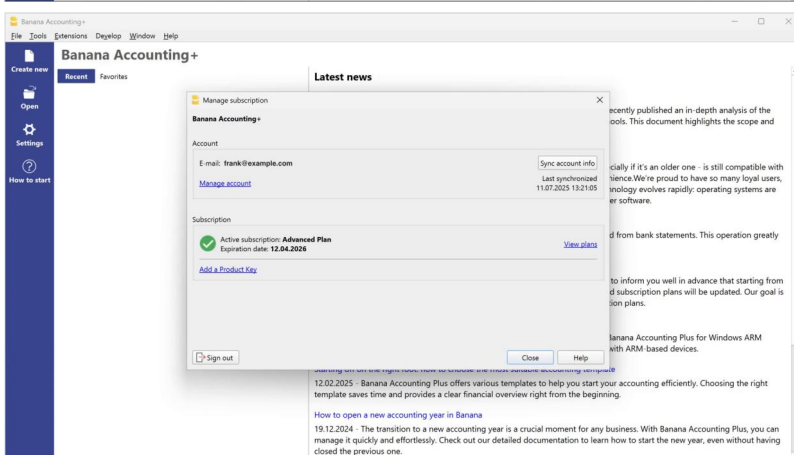

such as the plan you are using,

31

and the corresponding expiration date

32
